WEN RIDER (1971)

**PATTERN CREATED BY DUSTIN BEADLE & THENEXTDECADE FOR SUIT UP.
IF YOU BOUGHT THIS PATTERN, YOU WERE SCAMMED!**

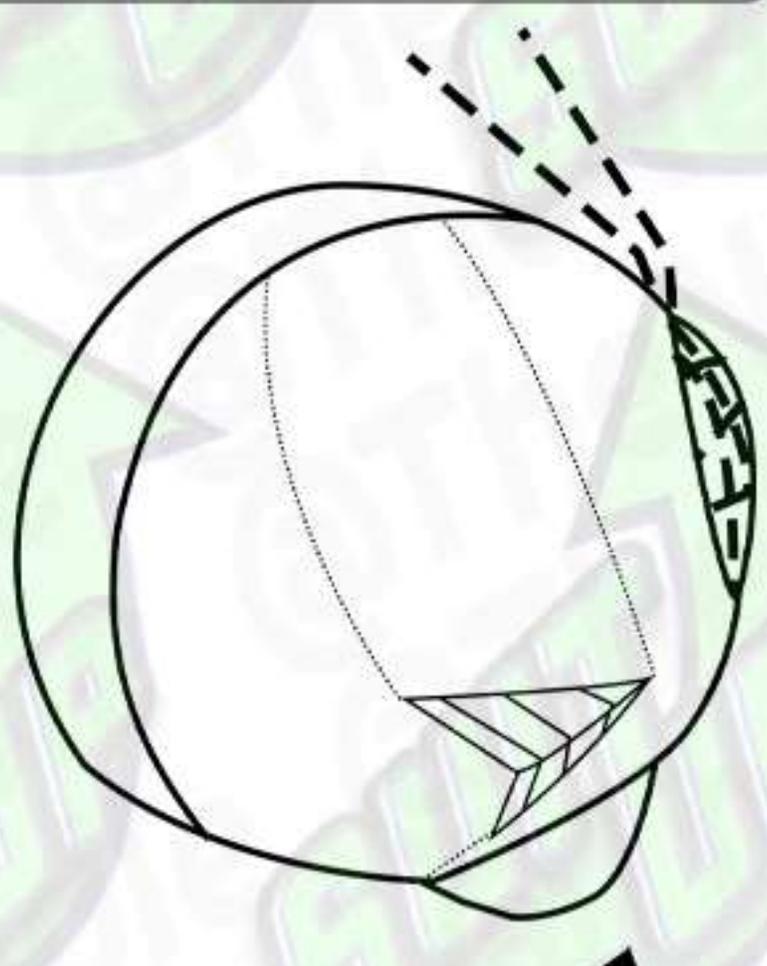

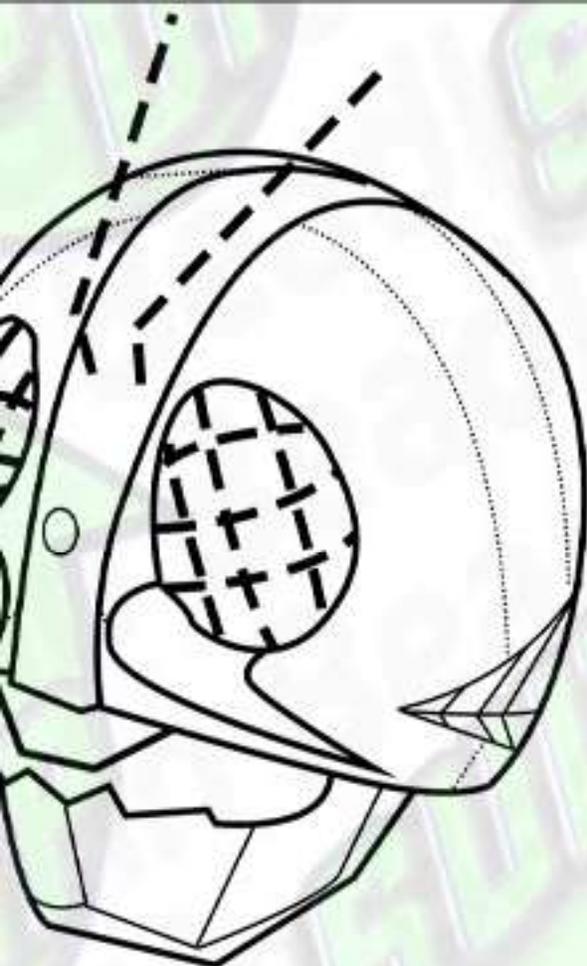

Downloading this pattern and watching SUIT UP! To best understand these parts, watch the video and double check any instructions on, or around the part you are working on. Below is a legend to help you understand the lines and terminology, as well as some instructions to make construction easier. Good luck, and happy crafting~

WEN

Registration Marks.
Try to line up the dots
as best you can.
Don't forget to put these
marks on the foam too!
